

PennCHOP

MICROBIOME PROGRAM

THE PENN MICROBIOME PROGRAM HUMAN INTERVENTION CORE

INFORMATION FOR INITIAL CONTACT

Please complete this questionnaire to provide us with some initial information about your research project. Return the signed form to nessel@pennmedicine.upenn.edu and uroy@pennmedicine.upenn.edu

1. Investigator information

Name
Title
Institution
Department
Address
Telephone
Email

2. Is this a fee-for-service request or proposal for collaboration?

Fee-for-service Collaborative Unknown

3. Are you interested in consultation only (i.e. pre-project planning)

Yes No

4. Is the project IRB approved?

Yes No

5. Are you a junior investigator?

Yes No

6. If this project is the subject of a grant application, at what stage is the grant submission?

7. Is this study the topic of a PENN-CHOP Microbiome Program funded pilot award?

Yes No

8. Please provide a brief description of the research to be performed. Include the following information where applicable: what are the specific aims, what is the hypothesis, who are the participants, what is the sample size, and what are the goals of the project?
